

International Conference on Energy, Materials, and Photonics (EMP24)-Invitation

Dear Scholars,

We are delighted to invite you to participate in **the 10th International Conference on Energy, Materials, and Photonics (EMP24)**, a prestigious event aimed at fostering the rapid development of energy, materials, and optoelectronics research, as well as encouraging collaboration and exchange among researchers and industry professionals.

The conference is organized by Society of Energy Photonics together with Xiamen University Malaysia, Nanometer Science and Application Research Institute of Southern University of Science and Technology, Optica (Formerly OSA) Shenzhen Section, IEEE Nanotechnology Council Guangdong Chapter and Kelip-kelip! Center of Excellence for Light Enabling Technologies, the conference will be held on 6th - 8th December, 2024 in Malaysia (registration on morning, 6th December).

EMP conferences have been held successfully worldwide, including events in Shenzhen, France, Canada, Shanghai, Myanmar, Kunming, Tianjin and Singapore. EMP24 is a high-quality and high-level academic gathering, multiple sub-forums covering a diverse range of topics such as optoelectronic materials, energy storage, new energy, semiconductors, etc. The conference expects more than 150 experts, scholars, journal editors, and researchers from academia and industry to attend, discussing the latest research findings, and engaging in in-depth exchanges on cutting-edge topics and emerging trends.

The conference has multiple programs, including plenary lecture, keynote speech, invited report, oral report, and poster presentation. In order to stimulate the enthusiasm of young researchers for science and technology and promote academic exchanges, Oral Report Award and Excellent Poster Award are setup and will be awarded to the excellent students and researchers.

We cordially invite scientists, engineers, and technicians from all over the world working in energy, semiconductors, displays, optoelectronics, catalysis, materials, devices, and related technologies, to actively participate in EMP24. This conference presents a distinctive platform for fostering collaboration, exchanging insights on cutting-edge research and development, and contributing to the progress of related fields.

On behalf of the organizing committee, I am pleased to invite you to attend and participate in the conference. We believe that your participation will greatly enrich the EMP2024 International Conference.

Thank you for considering our invitation and supporting the EMP2024 International Conference. We eagerly anticipate your presence.

Registration: Morning, 6th December, 2024

Conference Start: 6th December, 2024

Conference End: 8th December, 2024

Conference Venue: Holiday Inn (Jalan Warisan Sentral Sepang, 43900 Selangor, Malaysia)

Recommended hotel: Holiday Inn (Jalan Warisan Sentral Sepang, 43900 Selangor, Malaysia)

Sincerely yours,

Organizing Chair: Dr. Tan Swee Tiam

Associate Professor, TalentCorp Expert Returnee

Assistant Dean, School of Energy and Chemical Engineering

Director, Kelip-kelip! Center of Excellence for Light Enabling Technologies

Xiamen University Malaysia

Jalan Sunsuria, Bandar Sunsuria

43900 Sepang, Selangor Darul Ehsan, MALAYSIA
